GALES FERRY

The February meeting of the Woman's Home Missionary society was held at the home of Miss Alice Atterley at 230 Gales Ferry, Tuesday afternoon. The president, Mrs. F. Irving Hurlbutt, presided. The topic was "Lumber Camps and Mines." The meeting opened with singing the hymn, "O Master Let Me Walk With Thee." The prayer was read by Mrs. Hurlbutt. The following roll call and minutes of last meeting by the secretary, Mrs. Fanny A. Colburn. The corresponding secretary, Miss Laura A. Perkins, read a letter of thanks for a barrel of clothing sent by the society to the Maine Deaconess Training School. In the afternoon, the society held a box of Sunday School papers to Rev. W. H. Mowley of New Bedford, Mass., for his Portuguese work. This preceded singing of How Firm a Foundation. The society then held a box of Sunday School papers to Rev. W. H. Mowley of New Bedford, Mass., for his Portuguese work. This preceded singing of How Firm a Foundation. The society then held a box of Sunday School papers to Rev. W. H. LEONARD BRIDGE

Funeral services for Clarence McColl Williams, 25, who died Wednesday afternoon, were conducted at his home Friday afternoon at 1 o'clock, by Rev. John H. Knott, pastor of the Liberty Hill Congregational church. Elmer E. Caples of Liberty Hill sang with great tenderness, "Asleep in Jesus." Some time will understand. He was accompanied by Mrs. Fred Burgess of Lebanon at the piano. The bearers were Elmer N. Geer, Clarence G. Geer, David Walsh and Clayton Williams. Burial was in the family plot at Exeter cemetery. Rev. J. H. Knott read a short committal service at the grave. The floral tributes were beautiful and consisted of a large pillar with the inscription, "Son and Brother, a spray of carnations from Mrs. Ida E. Cummings and Mr. and Mrs. Rexford E. Cummings, a spray of carnations with ferns from Mr. and Mrs. Kenneth L. Cummings, a wreath of carnations and leaves from the Johnson family and a spray of carnations from two cousins, Clarence and Clayton Williams. Besides the flowers, a large number of letters and cards were received. Mr. Williams leaves two sisters, Miss Ruby E. Williams, a teacher in District No. 15, and Miss Ruth Williams, who is a nurse at the Windham High School, Windham. Latest reports from Mrs. Ida E. Cummings, who was operated on for stomach trouble at a Bridgeport hospital, are to the effect that she is able to sit up a short time each day. Miss Nettie M. Williams, a former resident, now taking a course on nursing at Springfield, Mass., hospital, is ill with typhoid fever and on Wednesday afternoon underwent a surgical operation. Mrs. Henry L. Watrous has gone to Quaker Hill to be with her sister, Mrs. Bert Pierce, whose family is ill. Mr. and Mrs. W. H. Kneeland of Columbia, spent a day recently with Edwin P. Kneeland and daughter, Charles Perkins of Lebanon shot a handsome fox last week.

YOU KNOW, BUT SOMETIMES FORGET

Everybody knows that an imitation is never as good as the original and substitution never saves the time high quality that brings the leader success. Foley's Hotfoot is the standard at the top of the list of family remedies for colds, croup, whooping cough, bronchitis and all other ailments. W. L. Anglin, Anthon, La. writes: "I have used Foley's Hotfoot and for 15 years and can take a cold with me and has a cold after it gets started. It's the very best." Contains no opiates. Children like it. WOMAN SO ILL COULD NOT WALK

Lydia E. Pinkham's Vegetable Compound Restored Her to Health.

Perth Amboy, N.J. — "For three years I suffered with a severe female trouble, was nervous, had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. I read about Lydia E. Pinkham's Vegetable Compound in a newspaper, and my newspaper, and I tried it. Now I am better, feel strong, have no pains, backache or dizzy spells. Every one tells me how well I look, and I tell them to use Lydia E. Pinkham's Vegetable Compound — that is what makes me feel well and look well. I recommended it to my sister and she is well now. You cannot see this letter if you wish, for it is certainly a grand remedy for a woman's ills." Mrs. MARTHA STANISLAWSKI, 524 Penn St., Perth Amboy, N.J.

For forty years Lydia E. Pinkham's Vegetable Compound has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

In service, those of Victor L. Parens, Arnold McDonald and Philip W. Oslin.

Continuance of the state guard until the federal government or the state provides for the establishment of the permanent military organization, is embraced in an act introduced in the Rhode Island general assembly. Under the state guard act as it stands the present organization would go out of existence automatically at the end of the six months' period following the signing of the peace treaty.

Daniel Lysoybe, 27, a window-washer by occupation, was found dead on the kitchen floor of Joseph Wagner's quick lunch place in Main street Sunday morning. It was the custom of Lysoybe to clean up the place Sunday mornings. When Mr. Wagner entered the place it was filled with the fumes of gas. The five cooks of the gas range, which was wide open and Lysoybe was leaning over it, had died. Dr. M. H. Scanlon, medical examiner, after thorough examination, gave opinion that it was a clear case of suicide, due to asphyxiation by gas. Lysoybe's overcoat, a bunch of keys and an account book were on the counter. Lysoybe had a key to the place and it was his custom to go there at 6 o'clock each Sunday morning. He leaves a widow, who said her husband left home early in the morning in apparent good spirits. He also leaves a son.

COLUMBIA

A gas-lighting system is being installed by the selectmen in a town hall. For many years there has been much debate and controversy at town meetings as to the necessity of better lighting of the hall and the best method of obtaining it but the subject has always been deferred, or passed over. However, at a recent meeting it was voted that the selectmen install a lighting system. The old lamps, which have been in the hall since it was built, have about outlived their usefulness. First Selectman D. A. Lyman was fortunate in securing at a very reasonable cost, a system which uses what is known as Biogens. This gas is furnished in condensed form in what are termed bottles, and is a liquid, but upon liberation expands to 100 cubic feet of gas. The plant was only partially installed by Thursday evening, when a what party was held but sufficiently so to show that with the six lights in place it was vastly superior in power, color and cleanliness to the old oil lamps. The lights are to be placed all through the building, obviating to a great extent the continual danger from collision with the lamps and the consequent danger of fire. The lamps and source of supply of the gas are absolutely in the charge of the janitor in order to prevent possible injury to the plant.

Some time ago a demonstration of another lighting system was given at the hall, but was considered too expensive for the local necessities.
